

New Trainer Manual now available

The *Trainer Manual* is the Lifesaving Society Trainer's technical reference and companion to the leadership award guides. Collectively, these resources provide Trainers with the knowledge and tools to effectively plan and deliver the certifications in the Lifesaving Society leadership system. All active Lifesaving Society Trainers need this manual, and it is a required text for candidates on Lifesaving Society Trainer courses. The *Trainer Manual*:

- Defines the Trainers' job and explores their professional responsibilities.
- Provides supporting information for the 13 areas of competency underlying the leadership curriculum standards.
- Provides guidance on evaluating leadership candidates.
- Provides direction on "apprentices and apprenticeship" for the aspiring Trainer candidate as well as the Trainer of record responsible for apprentices.
- Highlights leadership course policies and administrative processes and procedures.
- Includes Trainer Tips and Case Studies.

The *Trainer Manual* is available from the Society and lifeguarddepot.com for \$27.80 including shipping and handling.

- Provides guidance on "apprentices and apprenticeship" for the aspiring examiner candidate as well as the Examiner Mentor responsible for apprentices.

The *Examiner Handbook* is available from the Society and lifeguarddepot.com for \$27.80 including shipping and handling.

Introducing Examiner Mentors

In January, the Society introduces a new Examiner Mentor designation – senior Examiners appointed by the Society to mentor examiner candidates through their apprenticeship and to decide if the candidate is ready for certification as an Examiner.

Examiner Mentors will:

- Provide effective apprenticeship experiences for examiner candidates including evaluation of their performance and guidance on their professional development as potential Lifesaving Society Examiners.
- Assist in the identification, recruitment and development of potential Lifesaving Society Examiners.
- Act as expert resources to Lifesaving Society apprenticing examiner candidates in matters related to Lifesaving Society evaluation standards.

Experienced Examiners who wish to become an Examiner Mentor must:

- Hold a current Examiner certification and have examining experience (i.e., at least 3 exams) in the stream(s) in which they wish to mentor apprenticing examiners.
- Apply to the Lifesaving Society office with a letter of recommendation.

Certification as a Lifesaving Society Trainer is desirable.

Details on becoming an Examiner Mentor will be available early in the new year. For more information, contact Member Services Manager [Raegan Wiseman](mailto:Raegan.Wiseman).

The Lifesaving Society is a national, volunteer organization and registered charity working to prevent drowning and water-related injury. Annually, over 1,000,000 Canadians participate in the Society's swimming, lifesaving, lifeguard and leadership training programs. The Society sets the standard for aquatic safety in Canada and certifies Canada's National Lifeguards.
