WHAT'S IT ALL ABOUT?

The Lifesaving Society's Leadership Recertification Credit System applies to all of the Society's Instructors and Examiners: Swim, Lifesaving, First Aid, and National Lifeguard.

The system is designed to recognize individual needs and interests by encouraging instructors to learn and improve through continuing education and professional development.

LIFEGUARDING STATUS

Although it is not required, the Lifesaving Society recommends that all Instructors hold and maintain current lifeguarding status.

HOW DO I PARTICIPATE?

- 1 At your convenience, over the two-year recertification period, accumulate three credits by participating in your choice of courses, clinics, and training programs.
- 2 Lifesaving and Swim Instructors may select their credits from any course contained on the Credit List. Boat Rescue, First Aid, and National Lifeguard Instructors must select their credits from only those courses marked with an asterisk (*). Examiners must select at least one credit from those items marked with a (✓). Instructor Trainers must have a taught an Instructor course.
- 3 Make sure your credit card form is validated (signed and dated) and send it to the Branch office with your recertification fee. If you recertify more than one Instructor, Examiner, or Trainer certification (e.g. Lifesaving Instructor, National Lifeguard Instructor and National Lifeguard Examiner) at the same time, you pay the base fee (\$35.00 in 2023) plus an additional fee (\$25.00 in 2023) for each additional award you wish to recertify to a maximum fee of \$75.00. If you choose to recertify these certifications at various times during the year, you must pay the base fee for each recertification.

You will receive your renewed certification card(s), valid for another two years.

CAN I SAVE EXTRA CREDITS FOR NEXT TIME?

No. Credits are valid for a two-year period only. If, for example, you take your National Lifeguard award on January 1, 2019, you must collect your other credits by January 1, 2021. Otherwise, the credit from the National Lifeguard award will have expired and you would be obliged to get another current credit.
